

Dr Corbin endeavours to provide general medical care of the highest possible quality. His aim, through his sympathetic, thoughtful and caring approach, is to offer the benefit of his broad experience in order to achieve successful outcomes in the management of health and lifestyle issues. His approach is whole-person, open-minded and inclusive.

In the centre of Isleham, turn into West Street at the Co-op Store. Priory Gardens is the first turning on the right. Private parking is available beyond the house, which is on the right hand side.

Personal information is held securely and managed in accordance with the Data Protection Act 1998.

Suggestions or comments about the practice are welcomed. If you are unhappy with the facilities or services you receive we would like to know about it as soon as possible so we can investigate your concerns and explain, apologise and take positive action where necessary. In most circumstances, if you tell us about your concern quickly, we can resolve matters straightaway. To let us know about something with which you are unhappy please speak with Doctor or Mrs Corbin in the first instance. A copy of the practice complaint resolution procedure is available on request.
